AGAINST ALL SOLSTICE WITCHCRAFT AND SEASONAL RITUAL

June 22, 2026

Father in Heaven, I come before Your holy throne in the name of your only begotten son Yeshua HaMashiach , and we bring this scroll of total cancellation against every ritual, every spell, every invocation, every blood sacrifice, every fire ceremony, every circle casting, every portal opening, and every demonic assignment released during the summer solstice and every seasonal occult observance.

In the name of Yeshua, I come against all solstice rituals, all pagan rituals. We are not ignorant of this. The solstice is one of the highest dates on the occult calendar. It is when covens gather. When rituals peak. When blood is spilled. When portals are opened. When the energy of the longest day is harvested and directed by those who serve the enemy and believe they are tapping into nature. They are not tapping into nature. They are tapping into principalities that have been riding the calendar since Baal worship required seasonal sacrifice to keep the cycle turning.

Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the Lord your God. Leviticus 19:31.

In the name of Yeshua I come against every ritual performed on the solstice. Every fire lit in dedication to a false god. Every circle cast in a field, a garden, a woodland, a stone circle, or a living room. Every candle burned with intention directed toward anything other than the Living God. Every chant spoken over the turning of the season as if the season belongs to the practitioners. It does not. The seasons belong to the Lord.

While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease. Genesis 8:22.

The solstice is His. The sun is His. The length of the day is His. He set the earth on its axis. He determined the tilt. He designed the longest day and the shortest night and no coven, no druid, no witch, no pagan collective has any right to claim it, celebrate it as their own, or use it as a launch pad for spiritual operations.

In the name of Yeshua I come against every invocation spoken during this period. Every deity called by name. Every goddess summoned. Every horned god petitioned. Every element invoked. Every spirit of the land invited to participate. We cancel every invitation. We revoke every welcome. I silence every incantation and we declare that the only name with authority over this

earth, this sky, this sun, and this season is the name of Yeshua HaMashiach who is come in the flesh.

Thou shalt have no other gods before me. Exodus 20:3.

In the name of Yeshua I come against every blood sacrifice performed during the solstice. The ones visible and the ones hidden. The animal sacrifices. The human sacrifices that the world pretends do not happen. The ritual abuse that peaks on these calendar dates because the principalities demand blood at the turning of the wheel. We declare that blood cancelled. The blood of Yeshua is the only blood that speaks over this earth, and it speaks better things than the blood of Abel and infinitely louder than any blood spilled on a solstice altar.

And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel. Hebrews 12:24.

In the name of Yeshua I come against every portal opened during this season. Every Litha gateway between the physical and the demonic that has been pried open through ritual, through sex magic, through blood, through chanting, through psychedelics, through any mechanism used to thin the veil. We slam every portal shut. We seal them with the blood of the Lamb. No demon passes through. No principality uses the solstice as an entry point. The gates are closed and the gatekeeper is Yeshua.

And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. Matthew 16:18.

In the name of Yeshua I come against the casual version of this. The modern, sanitised, Instagram-friendly solstice observance. The flower crowns and the sunset yoga and the intention setting and the gratitude circles and the manifesting under the longest sun. It looks harmless. It is not. It is Baal worship stripped of the blood and dressed in linen. The mechanism is identical. Align with the season. Perform the ritual. Receive the blessing. It is the same transaction the ancients made, repackaged for people who would never call themselves witches but who are performing witchcraft in bare feet and calling it wellness.

For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. 1 Samuel 15:23.

In the name of Yeshua I come against the principalities that ride the calendar. The territorial spirits that activate at solstice, at equinox, at Samhain, at Beltane, at every turning point of the occult year. We declare that the calendar belongs to the Lord. Every day is His. Every season is His. No date on the calendar carries automatic spiritual authority for the enemy. He has been given nothing. He has stolen access to these dates through centuries of human compliance and we revoke that compliance now.

In the name of Yeshua I come against every assignment released during this solstice. Every curse spoken. Every hex dispatched. Every binding performed. Every spell of confusion, division, illness, financial attack, relational destruction, and spiritual blindness that was launched from a ritual circle during this season. We cancel every one of them. They are returned to sender. They fall to the ground powerless. They dissolve on contact with the blood of Yeshua. Not one lands. Not one takes root. Not one reaches its intended target.

No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgement thou shalt condemn. This is the heritage of the servants of the Lord. Isaiah 54:17.

In the name of Yeshua I come against Stonehenge gathering and every public solstice ritual performed at ancient sites. We come against the energy directed through stone circles, ley lines, and sacred sites that were dedicated to false gods before the gospel reached these lands. We declare those sites reclaimed for the Lord. The stones belong to the One who made the stone. The land belongs to the One who made the land. And no annual gathering of druids, witches, or spiritualists reactivates what the blood of Yeshua has already cancelled.

The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein. Psalm 24:1.

In the name of Yeshua I come against spirit released into the atmosphere during this period. Every heaviness. Every confusion. Every strange oppression that settles over believers around the solstice because the atmospheric activity is heightened and the spiritual pollution is real. We burn it out of the air. We fumigate the atmosphere with the fire of the Holy Ghost. We declare clean skies, clear discernment, and supernatural peace over every believer who reads this scroll.

In the name of Yeshua I declare that the solstice is not theirs. It was never theirs. The longest day of the year is a display of the glory of God, not a platform for witchcraft. The sun that shone longest yesterday shone because He told it to, and every ritual performed under it was performed under His authority whether the participants knew it or not.

The day is thine, the night also is thine: thou hast prepared the light and the sun. Thou hast set all the borders of the earth: thou hast made summer and winter. Psalm 74:16-17.

The Lord made summer. He made winter. He set the borders. He prepared the sun. The solstice is a testimony of His design, not a toolkit for the enemy. And we declare it reclaimed, redeemed, and covered by the blood of the Lamb from this year forward and forever.

We seal this scroll in the mighty name of Yeshua HaMashiach, the Son of the Living God, the Sun of Righteousness who rises with healing in His wings, the Light no darkness can overcome, the One who owns every day, every season, every sunrise, and every solstice. It is done. It is written. In the mighty name of Yeshua t is sealed. Amen
