

I BURN EVERY DARK WORKING TO ASH

July 14, 2026

In the name of Yeshua HaMashiach, who is come in the flesh, who died on the cross, who descended into hell and took the keys of death and Hades, who rose on the third day and sits at the right hand of the Father with all power and all authority in heaven and on earth, I rise and I speak.

I come against every form of witchcraft operating against the one who reads this scroll. Every spell, every hex, every vex, every curse, every incantation, every ritual, every working, every sending, every projection spoken, whispered, chanted, written, buried, burned, or sealed against you. I declare it destroyed by the fire of the Holy Ghost in the name of Yeshua.

For we wrestle not against flesh and blood but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Ephesians 6:12)

Against All Witchcraft

In the name of Yeshua, I come against every witchcraft operation. Every coven working, every solitary practitioner, every spell cast by candlelight, every moon ritual, every circle cast, every sigil drawn, every spirit summoned, every binding spoken, every curse jar sealed, every poppet made, every knot tied in your name. I burn it all. Every thread, every wax drop, every pinned intention, every photograph used, every personal item stolen for ritual use. The fire of Yeshua touches it and it is ash.

Against All Voodoo

In the name of Yeshua, I come against every voodoo working. Every doll made in your likeness, every pin placed in your name, every gris-gris bag assembled against you, every loa petitioned against your life, every ritual drumming that called spirits to your door, every crossroads working aimed at your destiny, every graveyard dirt gathered for your destruction, every candle lit to bind you, every offering made to destroy you. I break every contract between the practitioner and the spirit they serve and I declare the assignment against you cancelled in the name of Yeshua.

Against All Black Magic

In the name of Yeshua, I come against every black magic operation. Every blood ritual performed against you, every sacrifice made in your name, every altar that holds your photograph, your hair,

your clothing, or any personal effect. Every invocation of darkness spoken over you. Every summoning of demonic power directed at your health, your mind, your family, your finances, your calling, or your destiny. I command every spirit dispatched through these workings to return to the feet of Yeshua for judgment. You were sent but you will not arrive. The blood of the Lamb stands between you and your target and you cannot pass.

And they overcame him by the blood of the Lamb and by the word of their testimony and they loved not their lives unto the death. (Revelation 12:11)

Against All Marine Spirits

In the name of Yeshua, I come against every marine spirit. Every leviathan, every water spirit, every spirit of the deep assigned against the reader of this scroll. Every initiation into the marine kingdom whether done knowingly or unknowingly. Every covenant made in water that was not the water of baptism in Yeshua's name. Every dream of water, every drowning sensation, every spiritual husband, every spiritual wife, every marine covenant of delay, poverty, barrenness, and rejection. I sever it all. I pull you out of those waters in the name of Yeshua and I plant your feet on dry ground.

When thou passest through the waters I will be with thee and through the rivers they shall not overflow thee. When thou walkest through the fire thou shalt not be burned neither shall the flame kindle upon thee. (Isaiah 43:2)

Against All Occult Workings

In the name of Yeshua, I come against every occult working. Every tarot reading done over your name, every astrology chart cast to map your vulnerabilities, every divination performed to track your movements in the spirit, every pendulum swung over your photograph, every scrying session that sought your location, every channelled message that targeted your mind. I blind every psychic eye turned toward you. I deafen every familiar spirit listening for your voice. I sever every soul tie created through occult contact whether you initiated it or someone else drew you in.

Regard not them that have familiar spirits neither seek after wizards to be defiled by them. I am the Lord your God. (Leviticus 19:31)

Against All Generational Curses

In the name of Yeshua, I come against every generational curse. Every witchcraft working that was not aimed at you but at your bloodline. Every curse spoken over your parents, your grandparents, your great grandparents that is still running. Every covenant made by ancestors at altars you never saw. Every dedication performed before you were born. Every bloodline pattern of poverty, sickness, addiction, broken marriage, premature death, and spiritual blindness that traces back to a working done generations ago. I break it at the root. The curse stops here. It

does not pass to the next generation. The blood of Yeshua reaches back through the bloodline and cancels every legal right that any spirit holds through ancestral covenant.

Christ hath redeemed us from the curse of the law being made a curse for us for it is written cursed is every one that hangeth on a tree. (Galatians 3:13)

Against All Monitoring Spirits

In the name of Yeshua, I come against every monitoring spirit. Every spirit assigned to watch you, to track your progress, to report your movements to a coven, to a practitioner, to a principality. Every familiar spirit that sits in your environment disguised as coincidence, as bad luck, as recurring obstruction. I bind you and I blind you. You will see nothing. You will hear nothing. You will report nothing. Your assignment is over and your communication lines are severed by the sword of the spirit.

Against Every Altar

In the name of Yeshua, I come against every altar that holds your name. Every physical altar with candles and offerings. Every spiritual altar maintained in the second heaven. Every digital altar where your image circulates in witchcraft groups. Every spoken altar where your name is chanted in ritual. I overturn them all. I scatter the elements. I extinguish the candles. I break the vessels. I burn the photographs. I command the fire of God to fall on every altar that operates against you and reduce it to nothing.

And it came to pass at the time of the offering of the evening sacrifice that Elijah the prophet came near and said Lord God of Abraham Isaac and of Israel let it be known this day that thou art God in Israel and that I am thy servant and that I have done all these things at thy word. Then the fire of the Lord fell and consumed the burnt sacrifice and the wood and the stones and the dust and licked up the water that was in the trench. (1 Kings 18:36,38)

The fire of the Lord fell. It consumed everything. The sacrifice, the wood, the stones, the dust, the water. Nothing survived the fire. And nothing survives it now. Every altar aimed at you is consumed the way the altar of Baal was consumed. Totally. Completely. Without remainder.

Against Every Curse of the Mouth

In the name of Yeshua, I come against every curse spoken through the mouth. Every word of death spoken over you by someone who knows what words do. Every pronouncement, every decree, every dark prophecy, every jealous utterance, every envious word, every bitter statement that carried spiritual weight because the speaker intended it to land. I cancel every one of them. Not one word spoken against you in darkness will stand in the light of Yeshua.

Death and life are in the power of the tongue and they that love it shall eat the fruit thereof.

(Proverbs 18:21)

I take the power of the tongue and I turn it. Every death word is reversed. Every life word is activated. The fruit of the tongue spoken against you is returned to the mouth that spoke it. And the fruit of this scroll is life, fire, freedom, and the unshakeable authority of Yeshua over your entire existence.

Total Eviction

In the name of Yeshua, I come against every spirit of delay, every spirit of stagnation, every spirit of confusion, every spirit of heaviness, every spirit of fear, every spirit of torment, every spirit of infirmity, every spirit of poverty, every spirit of rejection, every spirit of abandonment, every spirit of lust, every spirit of control, every spirit of manipulation, and every spirit of death that has been dispatched against you through any dark working from any source at any time. I cast you out in the name of Yeshua. You have no home here. You have no legal right here. The blood revokes your access and the fire destroys your assignment.

Behold I give unto you power to tread on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you. (Luke 10:19)

Nothing. Shall by any means. Hurt you.

Declaration of Freedom

In the name of Yeshua, I declare the reader of this scroll free. Free from every witchcraft chain. Free from every voodoo working. Free from every black magic operation. Free from every occult entanglement. Free from every generational curse. Free from every monitoring spirit. Free from every altar. Free from every curse of the mouth. Free from every spirit dispatched against your life.

If the Son therefore shall make you free ye shall be free indeed. (John 8:36)

Free indeed. Not partially. Not temporarily. Not conditionally. Free indeed. In full. Right now. Permanent and irreversible.

The Seal

In the name of Yeshua, I seal this scroll in the blood of the Lamb. I seal every reader of this scroll under the covering of Yeshua HaMashiach. I declare a wall of holy ghost fire around every person who speaks these words out loud. No retaliation. No backlash. No return fire from the enemy. The blood absorbs it all and the fire burns it all and Yeshua holds it all.

For the Lord thy God is a consuming fire. (Deuteronomy 4:24)

He is the fire. And the fire has spoken.

It is done. It is burned. It is finished.

In the mighty and terrible name of Yeshua HaMashiach. Amen.
