The Scroll Against the Atmospheric Backlash and the Dull Blanket

I confess Yeshua HaMashiach who is come in the flesh.

I stand in the authority He gave me, under the blood, and I speak from that place and no other.

Father in Heaven, in the name of Jesus Christ, Yeshua HaMashiach, I come before Your holy throne. I stand in the authority You gave me under the blood.

I see the atmospheric backlash. The dulling attempt. The serpent coils and the spells done in the night to prevent and quench the fire. The many demons released too.

In the name of Jesus Christ I come against every dulling attempt and I declare it burned by holy fire. Every spirit that arrives after a breakthrough to flatten what just happened — I see you and I burn you.

Every serpent coil hidden and slithering through in mindset, in the spiritual weather that sneaks in to cover us while we sleep — I come against that and I burn it and I destroy it in Jesus' mighty name.

Every counterfeit lie, every counterfeit mindset that tells us to just relax, that gaslights us into thinking one good day means we can lay down our weapons against evil — I wipe that lie from existence in Jesus' mighty name. One good day is not victory. It is a position to hold.

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. — 1 Peter 5:8

I come against every kind of witchcraft, every kind of sorcery that seeks to dull our fire and I declare all witches fully convicted and brought to repentance in Jesus' mighty name.

I come against every witchcraft spirit, every python and I declare it fully destroyed by holy fire, sliced and bound in Jesus' mighty name.

In the mighty name of Jesus I declare all witchcraft worldwide fully blocked, stopped. All their

demons bound and cast to the pit. I shatter their altars, their idols, their tools in the name of Jesus Christ. I declare all spells travelling through the ether wiped out and cancelled in Jesus' mighty name. I cancel and I burn every witch hideout, every hidden cluster — fully exposed. I remove your cover in Jesus' mighty name. I declare all occult practices ended in Jesus' mighty name.

Every weird moist marine atmosphere creeping in I declare it evaporated by holy fire in Jesus' mighty name. Every marine spirit burned — gone.

I come against every demon released, one or two hundred million — it does not matter, as you are wiped out in Jesus' mighty name.

Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. — Psalm 91:5-7

I come against the pity spells. Those that cause others to soften around us, speaking of our victimhood and weaknesses, rearranging the room so we become the one who needs to be handled. I cancel all that now in Jesus' mighty name. I am not a victim. I am armed.

I come against the casual life. The dull blanket that puts ordinary life things above You, Lord. That quenches the fire with mundane tasks and their importance. Those that talk about laundry and food shopping when you mention the Lord Jesus Christ. I declare those mindsets wiped out, ended in Jesus' mighty name. The Kingdom of God is not a hobby you fit in between errands.

I come against every monitoring spirit — I declare it blinded in Jesus' mighty name. You do not get to watch. You do not get to report. You do not get to anticipate what we do next.

I come against those demons that people carry, so that when you speak their demons listen and try to wreck your plan — I destroy those demons now in Jesus' mighty name. Every eavesdropper, every hitchhiker, every spirit that uses a person's ears as a listening post — cast out.

I come against every familiar spirit that tries to monitor and keep you from your purpose — I cancel and I destroy every familiar spirit, every demon in the atmosphere. I declare them bound and cast to the pit in Jesus' mighty name.

I come against every false dream-seeding demon that tries to bring back situations from the worldly past to remind of nonsense. Even mundane people — like a doctor, a dentist, or someone else you met from our worldly control system — like they are calling you back into the world. The flesh-based and fear-ridden living where they are the solution to a problem you never had and which therefore never gets solved, just to keep you in the worldly loop. I come against

those demons behind that now in Jesus' mighty name and I declare them bound and cast to the pit. I declare that dream seeding ended in Jesus' mighty name.

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. — 2 Timothy 1:7

I come against every enslavement task that pops up out of nowhere to create chaos and distraction. The sudden emergency that is not an emergency. The thing that must be done right now that did not exist five minutes ago. I come against every demon of distraction and I declare it cast out in Jesus' mighty name.

In the mighty name of Jesus I declare all evil plans exposed and ended. I ask for restoration and I walk in truth, filled with the Holy Spirit.

No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord. — Isaiah 54:17

In the mighty name of Yeshua HaMashiach, Amen and Amen.
