SCROLL AGAINST ALL COBWEB SPIRITS AND WITCHCRAFT ENTANGLEMENT

May 18, 2026

"They hatch the eggs of vipers and spin a spider's web. Whoever eats their eggs will die, and when one is broken an adder is hatched. Their cobwebs are useless for clothing. They cannot cover themselves with what they make." (Isaiah 59:5-6)

In the Name of Yeshua HaMashiach, who is come in the flesh, is Lord, and holds the keys to death and hell. I speak.

The spider spins in silence.

No announcement. No confrontation. Just thread after thread after thread, laid quietly in the dark until the web is complete and the victim doesn't know they're caught until they try to move.

That is how cobweb spirits operate. Not with force. With patience. With invisible threads attached so gently you don't feel them landing. One on your finances. One on your health. One on your relationships. One on your calling. One on your mind. Thread by thread until you are wrapped so tightly that every area of your life is stuck and you cannot understand why.

You work hard but nothing prospers. You pray but heaven feels silent. You plan but nothing comes together. You reach for breakthrough and something invisible pulls you back every time.

That is the web. And today it burns.

"What he trusts in is fragile. What he relies on is a spider's web. He leans on his web, but it gives way. He clings to it, but it does not hold." (Job 8:14-15)

WHAT THE COBWEB SPIRIT DOES

Cobweb spirits are anti-breakthrough forces. They operate at the edge of every life-changing moment. Just before the promotion. Just before the financial release. Just before the marriage. Just before the visa. Just before the healing. Just before the calling opens up.

They are the last line of defence the enemy throws at you. The final entanglement designed to stop you at the threshold of your breakthrough.

They work through monitoring. Surveillance. Observation. The spider doesn't chase. It watches. It waits. It knows your patterns, your weaknesses, your timing. And when you are closest to your breakthrough, it pulls the threads tight.

They work through Jezebel. The black widow spider in the spirit realm. Manipulation, seduction, control. Webs of deceit spun through relationships, through authority figures, through people you trusted who were carrying something they never told you about.

They work through the marine kingdom. Chains and padlocks on destiny. Arrows fired from the waters into your life. Deposits transferred through sex, food, shared clothing, objects given as gifts. Pollution of the body and spirit through physical contact with carriers.

They attack the forehead. The eyes. The mouth. The face. The hands. Every point of contact with your future is targeted. They cover your glory so that divine helpers cannot recognise you. They veil your progress so that opportunities pass you by. They wrap your destiny so tightly that you forget you had one.

"Behold, I give unto you power to tread upon serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." (Luke 10:19)
