SCROLL AGAINST DEMONIC SUBCONSCIOUS SOFTWARE AND THE PERSECUTION MINDSET: A DECREE AGAINST HIDDEN PROGRAMS RUNNING IN THE BACKGROUND OF THE BELIEVER'S MIND

June 3, 2026

I. The Court Is Open

In the name of Yeshua HaMashiach, who is come in the flesh,

who has the keys of hell and of death,

who sees what runs in the dark and exposes what hides in the deep,

we open this case.

We bring before the courts of Heaven a category of demonic operation

that does not announce itself.

It does not roar. It does not manifest.

It installs quietly and runs silently

and the believer never knows it is there.

The heart is deceitful above all things, and desperately wicked: who can know it? I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings. — Jeremiah 17:9-10 (KJV)

Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting. — Psalm 139:23-24 (KJV)

II. Named and Indicted

We name the demonic software.

The background programs installed in the subconscious of believers

through trauma, through false teaching, through religious conditioning,

through warfare fatigue, through prolonged suffering, through repeated disappointment.

Programs that were never chosen.

Programs that were never agreed to.

Programs that run beneath awareness and filter every thought, every expectation, every prayer.

We name the program of permanent warfare.

The belief that the Christian life is nothing but battle.

That rest is laziness. That joy is naive.

That peace is a sign you are not fighting hard enough.

This program keeps the believer exhausted, hyper-vigilant,

and unable to receive what the Lord is actually trying to give them.

We name the program of expected persecution.

The belief that suffering is the default.

That provision always comes with a sting.

That every good thing will be followed by an attack.

That blessing is bait.

This program teaches the believer to flinch before the blow even comes,

to reject goodness before it arrives,

to live braced for impact at all times.

We name the program of unworthiness.

The silent calculation that runs every time the Lord offers something good.

The voice that says "not for you."

The filter that downgrades every promise to "maybe"

and every breakthrough to "temporary."

This program blocks inheritance while the believer is still praising God,

because it intercepts the blessing before it can land.

We name the program of distrust in provision.

The one that says God provides but only just enough.

Only scraps. Only leftovers. Only the bare minimum.

The one that makes the believer feel guilty for expecting abundance

because abundance feels dangerous.

This program keeps the vault locked from the inside.

We name the program of isolation disguised as strength.

The one that says carry it alone. War alone. Process alone.

The one that frames independence as spiritual maturity

and calls vulnerability weakness.

This program cuts the believer off from the body

and tells them it was their idea.

We name every hidden device, every buried trigger,

every subconscious loop, every automatic thought pattern

installed by the enemy and running unchecked in the minds of the saints.

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. — 2 Timothy 1:7 (KJV)

Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ. — 2 Corinthians 10:5 (KJV)

III. How the Software Operates

It does not arrive with fanfare.

It installs during seasons of pain.

A prayer goes unanswered long enough

and the program writes itself: "He does not hear me."

A promise is delayed long enough

and the code updates: "It was not real."

A blessing is followed by an attack enough times

and the loop is complete: "Good things are traps."

Once installed, the program filters everything.

Scripture is read through the lens of suffering.

Prophecy is heard through the filter of doubt.

Worship becomes performance because the program says He is distant.

Prayer becomes begging because the program says He is reluctant.

The believer is doing everything right on the surface

while the software underneath is rejecting every deposit the Lord tries to make.

The most dangerous feature of this software is that it feels like wisdom.

It feels like discernment. It feels like maturity.

The believer thinks they are being realistic

when they are actually being programmed.

They think they are being humble

when the software is actually blocking their inheritance.

They think they have learned from experience

when the enemy has simply trained them to expect nothing.

And the religious system reinforces it.

The preachers who teach permanent warfare.

The prophets who only prophesy attacks.

The channels that keep you in battle mode

so you keep watching, keep subscribing, keep needing them.

The whole ecosystem feeds the software and calls it faith.

Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. — Colossians 2:8 (KJV)

IV. Fire Decree

In the name of Yeshua,

we command every demonic program running in the subconscious of the believer

to surface now.

Come out of the background.

Come into the light.

You are detected. You are identified. You are finished.

Every program of permanent warfare, we uninstall you.

The believer was not made to fight without ceasing.

They were made to rest in a victory that is already won.

We delete your code. We wipe your data. We burn your installation files.

Every program of expected persecution, we uninstall you.

The believer was not made to flinch.

They were not made to brace for impact every time the Lord extends His hand.

We delete the flinch. We delete the brace.

We delete the expectation of punishment disguised as preparation.

Every program of unworthiness, we uninstall you.

The believer is not disqualified.

They are not second tier. They are not less than.

We delete the filter that downgrades every promise.

We delete the calculation that rejects every gift.

We delete the voice that says "not for you."

Every program of distrust in provision, we uninstall you.

The Lord does not give scraps. He sets a table.

He fills the cup until it overflows.

We delete the scarcity code.

We delete the guilt attached to abundance.

We unlock the vault from the inside.

Every program of isolation disguised as strength, we uninstall you.

Carrying it alone was never the instruction.

We delete the false independence.

We delete the pride dressed as endurance.

Every hidden device, every buried trigger,

every automatic thought pattern, every subconscious loop,

every background process running in the minds of the saints

that was not installed by the Holy Spirit,

we command it deleted, wiped, burned, and permanently removed

in the name of Yeshua.

We run a full system scan under the authority of the Holy Spirit.

Every file that does not carry the signature of Yeshua

is flagged, quarantined, and destroyed.

No backup. No recycle bin. No shadow copy.

Gone.

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. — Romans 12:2 (KJV)

Is not my word like as a fire? saith the Lord; and like a hammer that breaketh the rock in pieces? — Jeremiah 23:29 (KJV)

V. System Restore

Where permanent warfare ran, we install rest.

Real rest. The rest of Hebrews 4.

The rest that comes from knowing the battle is already won

and the victory is already secured.

Where expected persecution ran, we install expectation of goodness.

The Lord is good. His mercy endures forever.

Good things are not traps. Blessing is not bait.

The table He sets is safe to eat from.

Where unworthiness ran, we install identity.

Chosen. Royal. Holy. Peculiar.

Blood-bought. Flame-sealed.

Seated in heavenly places.

Not earning it. Already in it.

Where distrust in provision ran, we install overflow.

The vault is open. The windows of heaven are open.

The cup runs over.

There is no guilt in receiving what the Father gives freely.

Where isolation ran, we install connection.

Not dependency on a gatekeeper.

Not subscription to a platform.

True fellowship with the body

and unbroken communion with Him.

We declare a complete system restore to factory settings.

And the factory is the throne room.

The original design. The mind of Christ.

The blueprint written before the foundation of the world.

Let this mind be in you, which was also in Christ Jesus. — Philippians 2:5 (KJV)

But we have the mind of Christ. — 1 Corinthians 2:16 (KJV)

VI. Sealed

This scroll is sealed in the name of Yeshua HaMashiach.

Every program deleted. Every device removed.

Every loop broken. Every background process terminated.

No reinstallation. No update. No patch.

No trojan dressed as wisdom.

No worm dressed as humility.

No virus dressed as discernment.

The system is clean. The mind is renewed. The spirit is free.

Any attempt to reinstall will be met with immediate detection and destruction

by the fire of the Holy Spirit,

who now runs the only operating system authorised in this vessel.

It is written. It is decreed. It is done.

If the Son therefore shall make you free, ye shall be free indeed. — John 8:36 (KJV)

For our God is a consuming fire. — Hebrews 12:29 (KJV)

In the Name that rewrites everything. Yeshua HaMashiach.
