SCROLL AGAINST DEMONIC THEFT, THIEVES T FINANCIAL ATTACK, AND DESTINY ROBBERY

June 4, 2026

In the name of Yeshua HaMashiach I stand in full authority in His mighty name and I declare:

Against Theft and Robbery

I come against every demonic thief that has stolen from me.

Every spirit that has stolen finances, relationships, opportunities, giftings, blessings, time, energy, and resources.

I command sevenfold restoration in the mighty name of Yeshua.

I now come against every spirit of delay and stagnation.

Every wasting spirit that drains time and energy and keeps me circling the same ground.

I uproot you and cast you out in the name of Yeshua.

Against Financial Attack

I come against every financial curse, every poverty curse, every spirit of Mammon operating against my household.

Every demon that causes money to drain, that causes overcharging, that brings scammers and swindlers across my path.

Every demon that causes clients to issue POs for pittance, every demon that pollutes business and wrecks the value of my services.

I bind you and cast you out in the name of Yeshua.

I come against every spirit of apathy and slumber around finances.

Every demon that makes me careless about what is being stolen, complacent about what is draining, too tired to notice what is missing.

I break that completely in the name of Yeshua.

Against Manipulation and Fear

I come against every spirit of the fear of man, every fear of rejection that allows manipulation.

Every demon that makes me accept less than what is mine, that makes me tolerate being taken advantage of.

I break that cycle now in the name of Yeshua.

I come against every spirit of fear of being without.

Every fear of loss, every fear of impending doom, every deep-seated terror of poverty.

I cast you out in the name of Yeshua.

Against Familiar Spirits and Dream Theft

I come against every familiar spirit visiting in the night.

Every spirit that steals in dreams, that forms contracts in sleep, that gets agreements signed in the spiritual realm.

I burn every false covenant with the holy fire of God.

In the name of Yeshua I now come against every spirit that steals dreams, thoughts, revelation, memory, and understanding.

Every spirit fowl of the air that snatches the Word out of my heart.

I command you gone in the name of Yeshua.

Against Destiny Theft

In the name of Yeshua, I come against every destiny thief.

Every demon that steals ministry opportunities, life opportunities, workplace positioning.

Every spirit that uses envy and jealousy through other people to rob what is rightfully mine.

I bind you and I cast you out in Yeshua's mighty name.

In the name of Yeshua I come against every witchcraft spirit that siphons blessings from me to the wicked.

I take the sword of the Spirit and I cut that transfer in half.

No unbeliever and no wicked person gets to steal what the Lord assigned to me.

Against Cycles

In the name of Yeshua I break every cycle of revisiting familiar places, familiar failures, familiar circumstances.

Every loop designed to keep me going backwards.

I break it and I declare forward movement only.

I break every cycle of self-pity, shame, and despair.

Every sabotaging trap that keeps me wallowing instead of standing.

I command the demon behind it to leave.

Against Control and Isolation

In the name of Yeshua I come against every spirit of control that makes me cling to material things for comfort instead of trusting the Lord.

I come against every spirit of paranoia and isolation.

Every demon that makes me withdraw, lock down, hide away.

I cast you out.

Restoration and Filling

In the name of Yeshua I declare the years the enemy stole restored.

I declare it as though I did not miss that time.

I declare abundance, not for selfishness but for the Kingdom.

In the name of Yeshua I declare the floodgates of heaven open over my life.

Every door the enemy shut, I declare it opened by the One who opens and no man shuts.

In the name of Yeshua I declare zeal, ambition, and a militant attitude to stand firm on the promises of God until they come to pass.

In the name of Yeshua I declare the fullness of God over my life.

Filled with the Holy Spirit.

Walking in the fullness of His will.

I receive what is rightfully mine in the name of Yeshua HaMashiach.

Amen and amen.
