SCROLL AGAINST HIDDEN OPERATIONS AND THE NEW WORLD ORDER AGENDA A DECREE AGAINST EVERY SHIFT, EVERY PLAN, AND EVERY SYSTEM DESIGNED TO ENSLAVE HUMANITY SINCE 2020

June 8, 2026

I. The Court Is Open

In the name of Yeshua HaMashiach Our Lord and Saviour, who is come in the flesh, who cannot be governed, who cannot be locked down, who cannot be injected, tracked, tagged, or digitised, who said "the truth shall make you free," we open this case.

In the name of Yeshua we bring charges against every hidden operation launched since 2019 that was designed to shift the world toward total control under the disguise of safety, health, progress, and unity.

In the name of Yeshua we bring charges against the architects. We bring charges against the systems. We bring charges against the spirits behind both.

Woe unto them that seek deep to hide their counsel from the Lord, and their works are in the dark, and they say, Who seeth us? and who knoweth us? — Isaiah 29:15 (KJV)

For there is nothing covered, that shall not be revealed; neither hid, that shall not be known. — Luke 12:2 (KJV)

II. Named and Indicted

In the name of Yeshua we name the operation that began in 2020. The global lockdown that was never about health. The fear campaign that shut churches, closed borders, isolated families, destroyed businesses, and trained the entire world to obey without question. We declare the spirit behind it exposed and judged.

In the name of Yeshua we name the injection programme. The coercion. The mandates. The

passports. The loss of employment for refusal. The silencing of every doctor, scientist, and nurse who questioned it. The censorship of every voice that said something was wrong. We declare every hidden ingredient, every undisclosed side effect, every suppressed death, every silenced injury brought to light.

In the name of Yeshua we name the digital control grid. Digital ID. Digital currency. Social credit systems. Facial recognition. Contact tracing. The infrastructure built during the "emergency" that was never dismantled because it was never meant to be temporary. We declare every component of digital enslavement exposed and dismantled.

We name the food supply attack. Every farm shut down. Every herd culled. Every seed supply controlled. Every food processing plant that mysteriously burned. The deliberate engineering of food scarcity to create dependency. We declare the food supply protected and the sabotage halted.

We name the energy manipulation. Every pipeline shut. Every power grid destabilised. Every fuel price inflated. Every green policy designed not to save the earth but to impoverish the people. We declare the energy supply freed from manipulation.

We name the war machine. Every conflict engineered for profit. Every proxy war funded by taxpayers. Every arms deal signed behind closed doors. Every young man sent to die for someone else's portfolio.

We declare the war profiteers exposed and their operations judged.

We name the depopulation agenda. Every plan to reduce the population through sterilisation, injection, engineered famine, manufactured war, and normalised abortion. Every meeting held in private by billionaires discussing "sustainable population levels."

We declare human life sacred. You do not get to decide who lives and who dies. That authority belongs to God alone.

We name the psychological operation. The fear. The division. The left against right. The black against white. The vaxxed against unvaxxed. The masked against unmasked. The deliberate fracturing of society so that people fight each other instead of looking up at who is pulling the strings.

We declare the division programme cancelled and the manipulation exposed.

We name the media weapon. Every news outlet that lied on command. Every journalist who knew the truth and said nothing. Every fact-checker who checked facts into the grave. Every algorithm that suppressed truth and promoted the narrative. We declare the media machine judged and the truth amplified above the lie.

We name the education attack. Every curriculum rewritten. Every child confused about their identity. Every parent silenced. Every teacher who complied. The deliberate corruption of the next generation to ensure they comply without resistance. We declare the children covered and the indoctrination reversed.

We name the spiritual operation behind all of it. The spirit of antichrist. The beast system. The architecture of total control. Every plan that moves the world toward a single government, a single currency, a single identity system, and a single point of worship that is not Yeshua. We declare it named and we declare it judged.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. — Ephesians 6:12 (KJV)

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. — Revelation 13:16-17 (KJV)

III. Against the Architects

We do not name them to glorify them. We name them to strip their cover.

Every billionaire who attended those meetings. Every politician who signed those orders. Every health official who enforced those mandates. Every tech CEO who built those systems. Every banker who designed those currencies. Every military leader who deployed those weapons.

You are not gods. You are not kings. You are not untouchable. You are men and women made of dust who will stand before the same Judge as everyone else.

We call for their conviction in the name of Yeshua. And we pray the terror of the Lord falls on every one of you before it is too late. We pray you see what you have done and repent before the court of Heaven rules without mercy in the mighty name of Yeshua

But we will not wait for your repentance to act. We strip the spiritual backing from your operations now. Every demon assigned to protect your agenda, we bind. Every spiritual cover over your meetings, we remove. Every principality assigned to your bloodline to ensure the plan continues, we sever. In the name of Yeshua I come against the spirit that uses racial equality as a weapon of control and manipulation and submission - BLM I cancel it in full, and all that was behind it.

You thought you were building a kingdom. You were building a case against yourselves.

The kings of the earth set themselves, and the rulers take counsel together, against the Lord,

and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. — Psalm 2:2-4 (KJV)

IV. Fire Decree

In the name of Yeshua, we come against every hidden operation designed to enslave humanity.

Every plan made in secret, dragged into the light. Every agenda discussed behind closed doors, exposed to the public. Every classified document, declassified by divine order. Every whistleblower silenced, given a voice. Every journalist killed for the truth, their story resurrected.

Every lockdown that was never about health, we cancel its residual spiritual effect on the population. Every injection that was never about immunity, we pray for healing over every body that received it. Every mandate that was never about safety, we declare its authority void. Every passport that was never about freedom, we declare it null.

Every smart city designed as a prison, we declare it never built in the name of Yeshua. Every digital currency designed to control spending, we declare it rejected. Every social credit system designed to punish dissent, we declare it dismantled. Every surveillance system designed to monitor the innocent, we declare it blinded and fully destroyed beyond repair in the name of Yeshua... Not just temporary but completely, irreversibly.

In the name of Yeshua we come against every every food supply attack, we declare the farms protected. Every energy manipulation, we declare the power restored. Every war engineered for profit, we declare the soldiers home and the profiteers judged. Every child targeted by the education system, we declare their minds cleansed and their identities restored.

In the name of Yeshua we release holy ghost fire into every boardroom where these plans were made. We release holy ghost fire into every underground facility where these operations are run. We release holy ghost fire into every server farm storing the surveillance data. We release holy ghost fire into every laboratory where the next phase is being prepared. We release holy ghost fire into Davos, into the UN, into the WHO, into the WEF, into the BIS, into every alphabet organisation that serves the beast system.

Let the fire find what the public cannot see. Let it burn what the media refuses to expose. Let it consume what the courts refuse to prosecute.

For our God is a consuming fire. — Hebrews 12:29 (KJV)

V. Against the Spirit of Antichrist

We name the spirit behind the entire operation. The spirit of antichrist. Not a man. Not yet. But

the spirit that prepares the way for him.

Every system being built to facilitate his rise, we declare it sabotaged. Every infrastructure designed for his control, we declare it corrupted. Every technology created for his surveillance, we declare it malfunctioning. Every currency designed for his economy, we declare it rejected by the remnant. Every law written for his enforcement, we declare it unenforceable.

You are building a throne for someone who will sit on it briefly and burn on it forever.

In the name of Yeshua.. we declare the remnant awake. We declare the church on its feet. We declare the saints armed. We declare the scrolls burning. We declare the truth louder than the lie. We declare that no matter how far this system advances, it will not cross the line that the Lord has drawn.

Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time. — 1 John 2:18 (KJV)

Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. — 1 John 4:4 (KJV)

VI. For the People

In the name of Yeshua we speak over every person who lost their business in 2020. Every person who lost their health to a mandated injection. Every person who lost a loved one to isolation. Every person who was fired for saying no. Every person who was silenced for telling the truth. Every person who saw through it and was called crazy.

You were not crazy. You were awake. And the Lord sees every sacrifice you made.

We declare restoration over every one of them. Jobs restored. Health restored. Relationships restored. Reputation restored. What the system stole, the Lord returns sevenfold.

In the name of Yeshua we declare strength over the remnant. The ones who refused. The ones who stood. The ones who lost everything but kept their conscience. You are not forgotten. You are not invisible. You are not alone. You are the ones the system could not break. And you are the ones He is building on.

Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. — Matthew 5:10 (KJV)

VII. Sealed

This scroll is sealed in the name of Yeshua HaMashiach.

Every hidden operation is exposed. Every architect is stripped of cover. Every system is judged. Every spirit behind it is bound. Every victim is restored. Every remnant warrior is strengthened.

The elite are not elite. They are men and women playing God with borrowed time. And the real God is watching. And the real God is not amused. And the real God has a court that cannot be bribed, a judge that cannot be bought, and a verdict that cannot be appealed.

Their time is short. His kingdom is forever.

It is written. It is decreed. It is done.

And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. — Revelation 11:15 (KJV)

In the Name that outlasts every empire. Yeshua HaMashiach. Amen
