SCROLL AGAINST INFIRMITY, PHARMAKEIA, AND THE SICKNESS ALGORITHM

June 23, 2026

Father in Heaven, I come before Your throne in the name of Yeshua HaMashiach who is come in the flesh, and I bring this scroll against every spirit of infirmity, every spirit of death, every spell cast to bring about weakness and demise, and every demonic operation currently active in the atmosphere, in the medical system, in the media, and in the digital realm that exists to make people sick, keep people sick, and profit from the sickness it creates.

And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. Luke 13:11-12.

Eighteen years. And He loosed her with a sentence. The spirit of infirmity is not a condition. It is an entity. It has a name. It operates under assignment. And it answers to the name of Yeshua whether it has been on someone for eighteen years or eighteen days. Every spirit of infirmity currently operating on any person or any animal is identified now and commanded to leave in the name of Yeshua HaMashiach who is come in the flesh.

In the name of Yeshua I come against every spirit of death. Every premature death assignment. Every slow death assignment. Every death disguised as natural causes when the cause was spiritual. Every death spoken into existence through curses, through witchcraft, through careless words, and through the medical system that pronounces death sentences over people who were never given a chance to seek the Healer first. The spirit of death is not welcome on this earth. It was defeated at the cross. The grave could not hold Yeshua and it does not get the final word over anyone covered by His blood.

O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ. 1 Corinthians 15:55-57.

In the name of Yeshua I come against every spell cast to bring about weakness, illness, and demise. Every candle burned over a name. Every ritual performed over a photograph. Every curse dispatched through any occult method against the health of an individual or a population. Every witchcraft operation targeting someone's body. I cancel every spell. I dissolve every curse. I

burn every ritual to ash. The human body belongs to the God who designed it and no spell has the authority to override the Designer.

In the name of Yeshua I come against every act of destruction and sabotage aimed at health. Every poison introduced into food. Every toxin added to water. Every chemical placed in the air. Every additive, every preservative, every substance that does not belong in the human body and was placed there by a system that profits from the damage it causes. I declare it exposed. I declare the bodies of God's people cleansed. I declare divine protection over the immune systems, the organs, the blood, and the cells of everyone under the covering of this scroll.

In the name of Yeshua I come against every spirit of hindering and blocking that operates through sickness. The spirit that uses illness to stop a calling. The spirit that brings a health crisis at exactly the moment the assignment is about to break through. The spirit that keeps someone in bed when they should be writing, praying, building, creating, or declaring. Sickness as a weapon against destiny is identified and destroyed.

And with his stripes we are healed. Isaiah 53:5.

We are healed. Not we might be. Not we could be if we find the right treatment. We are. Past tense. Already accomplished. The stripes were taken. The healing was purchased. And every spirit of infirmity operating after the cross is operating illegally on territory that has already been paid for.

I declare healing now to every sick person. Every person in a hospital bed. Every person at home with no diagnosis and no answers. Every person carrying a disease they were told is permanent. Every person who accepted the verdict of a doctor over the verdict of God. I declare healing. Not treatment. Not management. Healing. Complete restoration of the body to the condition the Creator designed it to function in.

I declare healing to every sick animal. Every creature suffering in silence. Every animal in a home, in a field, in a shelter, in the wild. The creation groans but the creation is also covered by the authority of the One who made it. I declare healing over every living thing.

And I ask this, Lord: let the healed know who healed them. Let them see the hand behind the healing. Let them trace the recovery back to the source and find You standing there. Do not let the healing be attributed to chance, to medicine alone, or to natural recovery. Let them see Your face in their restoration and let that seeing change everything.

And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God, And fell down on his face at his feet, giving him thanks: and he was a Samaritan. And Jesus answering said, Were there not ten cleansed? but where are the nine? Luke 17:15-17.

Ten were healed. One came back. Let the nine come back this time, Lord. Let them all come back.

Now I come for pharmakeia.

Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. Revelation 9:21.

The word sorceries in the Greek is pharmakeia. The root of pharmacy. The scripture is not silent about this. There is a spirit operating behind the pharmaceutical system and it is named in the book of Revelation as one of the things the nations will not repent of.

In the name of Yeshua I come against the spirit of pharmakeia. The system that creates illness to sell the cure. The system that suppresses natural remedies to protect synthetic patents. The system that medicalises normal life until every human emotion has a disorder code and every disorder code has a prescription. The system that hooks people on medication and calls it treatment. The system that labels the healthy as pre-sick and sells prevention for a condition that was never going to arrive. I declare the spirit of pharmakeia exposed, identified, and judged.

In the name of Yeshua I come against medical sorcery. Every procedure that causes more harm than the condition it treats. Every drug that creates dependency by design. Every treatment protocol that exists to generate repeat customers rather than healed patients. Every suppressed cure. Every buried study. Every silenced whistleblower. Every doctor who knew and said nothing because the system rewarded compliance and punished truth. Exposed. All of it. In the name of Yeshua.

In the name of Yeshua I come against the sickness algorithm. The social media machine that feeds people a constant diet of illness content until they begin to manifest symptoms they did not have before they started scrolling. The algorithm that says: this woman thought she was fine but the good doctor found she was actually dying. That is not information. That is a spell. It is a curse spoken through a screen and received by millions of people who do not recognise it as witchcraft because it arrives wearing a lab coat and a concerned expression.

I cancel that spell now in the name of Yeshua.

In the name of Yeshua I come against the non-awareness set. The demonic message that says: I know something about your body that you do not know. You think you are well but you are actually sick. You think you are fine but something is growing inside you that only the right test at the right facility at the right price will find. That is not medicine. That is divination. It is a familiar spirit wearing a stethoscope, telling you your future to keep you in fear, and then selling you the solution to the fear it created.

In the name of Yeshua I come against every health anxiety spell. Every piece of content designed to make a healthy person afraid. Every article that lists symptoms so vague that every reader qualifies for the diagnosis. Every video that says if you feel this you might have that. Every

targeted advertisement that appears after you searched a symptom once and now follows you across every platform reminding you that you might be dying. That is a curse delivered by algorithm and I cancel it.

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. 2 Timothy 1:7.

A sound mind. Not an anxious mind scrolling through symptoms at two in the morning. A sound mind that trusts the body the Creator made and does not submit to the fear the system sells. I declare sound minds over every person reading this scroll. The health anxiety breaks. The sickness algorithm loses its grip. The screen stops being a delivery system for medical curses.

In the name of Yeshua I come against every spell cast upon populations. Every mass spell disguised as a health campaign. Every fear operation that locks nations down, masks populations, and injects substances under pressure while calling resistance dangerous. Every operation that uses the language of care to deliver control. Every mandate that says your body is not your own when 1 Corinthians 6:19 says your body is the temple of the Holy Ghost. The population is not a herd to be managed. The population is made up of individuals created in the image of God, and no government, no corporation, and no health authority has jurisdiction over what God designed and owns.

In the name of Yeshua I come against the spirits behind all of this. Every demon of infirmity. Every demon of death. Every demon of fear. Every demon of pharmakeia. Every demon of sorcery. Every demon hiding behind a medical degree. Every demon hiding behind a news desk. Every demon hiding behind an algorithm. Every demon hiding behind a public health announcement. Cast out. Burned with holy ghost fire. Sent to where Yeshua sends them and forbidden to return.

And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover. Mark 16:17-18.

They shall lay hands on the sick and they shall recover. Not they shall refer the sick to a specialist. Not they shall prescribe a protocol. They shall lay hands and the sick shall recover. That authority has not expired. It was not limited to the first century. It is available now to every believer who takes Yeshua at His word and refuses to submit to a system that profits from the very suffering it claims to treat.

I cancel the curse. I cancel the source. I cancel the lies. I cancel every word pharmakeia has spoken over the nations. I cancel every diagnosis that came from a spirit and not from the truth. I cancel every prognosis that was a death sentence pronounced without consulting the Author of Life. I cancel it all in the mighty name of Yeshua HaMashiach who is come in the flesh.

I declare health. I declare life. I declare bodies healed, minds cleared, spirits renewed, and the sickness industry shaken to its foundations by a generation that stops buying the lie and starts seeking the Healer.

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. John 10:10.

Life. Abundant life. Not managed illness. Not controlled decline. Not a subscription to a pill that masks the symptom and feeds the root. Life as the Creator designed it. Abundant, whole, healed, and free.

I seal this scroll in the mighty name of Yeshua HaMashiach, the Son of the Living God, the Great Physician, the One who healed every disease, cast out every spirit, and never once charged for it. Pharmakeia is judged. The sickness algorithm is cancelled. The spirits of infirmity are cast out. And the Healer stands. It is done. It is written. It is sealed. Amen.
