SCROLL AGAINST SNEAK ATTACKS, HIDDEN WEAPONS, AND WITCHCRAFT TURNED TO WET TOILET PAPER

May 19, 2026

In the name of Yeshua,

who is come in the flesh,

who died on the cross,

who rose again on the third day,

and who defeated death and hell,

I speak,and I stand on these declarations.

And as it is written in the Word

“Thou shalt not suffer a witch to live.”

— Exodus 22:18, KJV

“No weapon that is formed against thee shall prosper…”

— Isaiah 54:17, KJV

In the name of Yeshua, I now come against those who forge hidden weapons, sneak attacks, and background plans.

I come against those who plan to use people close to me, anything close to me, anything I love, to kill the fire, weaken the flame, or put out what Yeshua has lit.

In the name of Yeshua, I expose every such plan now.

I dismantle it.

I cancel it.

I pull it out of hiding.

Those who plan evil:

I speak strength over your life.

Wet toilet paper strength, that is.

Your evil doings now have the strength and usefulness of wet toilet paper.

Nothing you conjure works.

Nothing you do lands.

Everything you speak against the children of God is brought down into useless wet mush.

You hold nothing.

You can do nothing.

All your methods and tools disintegrate between your hands.

Evil words and evil thoughts fall to the ground on your own feet.

All your witchy power is totally destroyed in the mighty name of Yeshua.

To those who think they can use loved ones to come against us,

to attack us in a weak moment,

to strike through what is near, familiar, precious, or trusted:

No.

In the name of Yeshua, we declare protection over our loved ones.

Protection over our possessions.

Protection over our pets and livestock.

Protection over our livelihoods.

Protection over our businesses.

Protection over our careers.

Protection over our homes.

Protection over every place and person and creature entrusted to us by the Lord.

We saturate everything pertaining to us in the blood of Jesus Christ, Yeshua HaMashiach.

And in Your name, Lord,

and by the authority You gave us,

we raise an impenetrable dome of holy fire around our perimeter,

as You see fit,

for each and every one of us,

each and every moment.

In the name of Yeshua:

Every sneaky plan is cancelled.

Every hidden attack is seen, exposed, and cancelled.

All witchcraft is turned to wet toilet paper.

All demons sent to afflict us are destroyed and sent where Yeshua commands.

All curses fall flat.

All evil words melt.

All tools of darkness break in the hand.

All hidden weapons fail before they form.

And we remind you, enemy:

This is done by the authority we have in the work done on the Cross.

You hold no power.

You were already defeated.

All you do is trick people away from that knowledge,

away from the path Yeshua paved on the Cross,

away from the truth that your defeat is already sealed.

Satan, you are already defeated.

Done.

Roasted.

In the name of Yeshua,

Every evil weapon is rendered useless.

Every witchcraft plan is wet mush.

Every hidden attack is exposed.

Every evil plan collapses.

The fire stays lit.

The people of God stay covered.

The blood of Yeshua speaks over us.

The dome of holy fire stands.

Amen and amen.
