SCROLL AGAINST THE NEW AGE MANIFESTATION MINDSET AND EVERY WITCHCRAFT OF THE MODERN TIMES

July 9, 2026

In the name of Yeshua HaMashiach, who is come in the flesh, who is the source of all things, who gives and takes away according to His will and not according to the will of man — I stand in full authority before the throne and I come against the entire manifestation lie and every spirit behind it.

Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD. — Jeremiah 17:5

There is a lie that has swept the earth and it has become the religion of the modern world. It does not call itself a religion. It calls itself mindset. It calls itself self-improvement. It calls itself energy work. It calls itself alignment. It calls itself manifestation. But it is witchcraft. It has always been witchcraft. And the fact that it does not use a cauldron or a pentagram does not change what it is.

The lie says your mind can manifest your reality. The lie says you are the creator of your own world. The lie says you can work freely with energy to change outcomes. The lie says follow your heart and do whatever you want. The lie says if you can see it you can have it. The lie says the universe is a vending machine and your thoughts are the coins. The lie says you deserve it, you attracted it, you vibrated at the right frequency and now it is yours.

That is not faith. That is sorcery wearing yoga pants.

In the name of Yeshua, the manifestation mindset is exposed for what it is. It is the original lie from the garden repackaged for the modern market. The serpent said ye shall be as gods. The manifestation movement says you are your own god. Same sentence. Same source. New packaging. The serpent did not retire. He got a podcast and a bestseller and a million followers on Instagram and he teaches the same doctrine he has always taught — you do not need God because you are God.

For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. — 1 John 2:16

In the name of Yeshua, I come against the spirit that says you can just grab from others. The spirit that sees favour on another person and says I want that, I can redirect that, I can manifest that for myself instead. That is not manifestation. That is coveting with spiritual mechanics attached. That is witchcraft aimed at another person's blessing. That is a spirit that looks at what the Lord gave someone else and says I can take that using my mind and my energy and my intention. That spirit is Jezebel. That spirit is theft. That spirit is sorcery. And it is destroyed and burned by holy fire now.

The Lord gives according to His will. Not according to the vision board. Not according to the affirmation spoken into the mirror every morning. Not according to the frequency the person thinks they vibrate at. He gives as He wills and to whom He wills and no amount of mental technique redirects what He assigned to someone else into the hands of someone who decided they deserved it more.

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning. — James 1:17

Every good gift comes from the Father. Not from the mind. Not from the energy field. Not from the practitioner who charged five hundred dollars to teach someone how to manifest abundance. From the Father. He is the source. He is the only source. And every system that teaches a person to bypass the Father and generate provision through their own mental power is teaching them to operate in witchcraft whether it uses that word or not.

In the name of Yeshua, I come against every single innocent practice. The ones that look harmless. The ones that look like wellness. The gratitude journals that are actually incantation logs. The vision boards that are actually altar constructions. The affirmations that are actually spells spoken in first person. The breathwork that opens people to spirits they did not invite. The meditation that empties the mind and leaves the door wide open for anything to walk in. The yoga that invokes entities by name in the original Sanskrit and the Western practitioner has no idea what they are saying or who they are bowing to. Every single one is addressed. Every single one is declared removed and ended.

These practices are not neutral. The enemy designed them to look neutral so that people who would never walk into a coven would walk into a yoga studio. People who would never consult a witch would consult a life coach who uses the same techniques under a different label. The rebranding is the strategy. Make the witchcraft palatable. Make it mainstream. Make it corporate. Make it medical. Make it scientific-sounding. And suddenly an entire civilisation is practising sorcery and calling it personal development.

And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? — Isaiah 8:19

In the name of Yeshua, the marine kingdom behind the manifestation movement is addressed.

The entire system operates on water. Flow. Waves. Vibration. Frequency. Energy. These are all water words. The marine kingdom is the spiritual engine behind the movement and it has always operated through these principles — fluid, shifting, formless, attractive, pulling people into depths they did not intend to enter. The person thinks they are learning to manifest. The marine kingdom is manifesting through them. They become the vessel. Their mind becomes the broadcast tower. And what they think are their own thoughts and desires are frequencies being fed to them by entities in a realm they cannot see and were never taught to test.

The entire marine kingdom behind the manifestation movement is declared destroyed with no reversal. Every spirit that operates through the language of energy and vibration and frequency and flow to draw people away from the Lord and into a counterfeit spiritual system — destroyed. Every entity that poses as a spirit guide, a higher self, a universal consciousness, an ascended master — destroyed. They are not guides. They are demons with job titles. And the job is to lead people away from Yeshua and into a system where they think they are God and therefore never seek the real one.

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. — 1 John 4:1

In the name of Yeshua, the follow your heart doctrine is exposed. The scripture says the heart is deceitful above all things and desperately wicked, who can know it. Jeremiah 17:9. The modern world says follow your heart. The scripture says do not trust it. The world says it will lead you to your truth. The scripture says it will deceive you. The entire follow your heart movement is built on the direct contradiction of what the Lord said about the human heart. It is not a guide. It is a compass that spins until the Lord calibrates it. And the manifestation movement tells people to follow the spinning compass and call wherever it points their destiny.

In the name of Yeshua, I come against the entire lie network. The books. The courses. The retreats. The apps. The podcasts. The influencers. The coaches. The healers. The channellers. The TED talks. The documentaries. The celebrities who promote it. The corporations that fund it. The algorithms that serve it to vulnerable people at their lowest moments. The entire infrastructure that exists to teach human beings to operate in witchcraft without ever using the word witchcraft. The network is declared exposed. The network is declared destroyed by holy fire.

Every person trapped in this system is declared called out of it. Not cursed. Called out. The Lord wants them free. Most of them entered because they were hurting, because they were seeking, because they wanted something real and the manifestation movement was the first thing that offered them a framework. The framework was a trap but the seeking was genuine. The Lord honours the seeking. He does not honour the framework. And He will meet them at the point of their hunger if they will turn from the counterfeit to the real.

Turn ye unto me, saith the LORD of hosts, and I will turn unto you. — Zechariah 1:3

In the name of Yeshua, the blockage that the manifestation mindset creates between a person and the Lord is declared destroyed. That is the deepest damage it does. It does not just teach wrong principles. It blocks the real connection. A person who believes they are their own source will never cry out to the actual source. A person who believes they can manifest their own healing will never bring their sickness to the Lord. A person who believes the universe responds to their vibration will never kneel before the living God and say I cannot do this without You. The self-sufficiency that the movement teaches is the wall between the person and the Lord. And that wall is demolished now. Holy ghost fire burns through it and what stands on the other side is Yeshua with His arms open saying you were never meant to do this alone.

Come unto me, all ye that labour and are heavy laden, and I will give you rest. — Matthew 11:28

Every person who reads this scroll and recognises themselves in it — the Lord is not angry with you. He is calling you. The manifestation was the wrong door but the hunger that led you to it was real. Bring that hunger to Yeshua. He will not teach you to vibrate at a higher frequency. He will set you on fire. And the fire is real. And the fire does not cost five hundred dollars for a weekend workshop. It costs surrender. And it is worth everything.

Holy ghost fire is called into this in the name of Yeshua. The entire manifestation lie burns. Every spirit behind it burns. Every marine entity powering it burns. Every blockage it created between people and the Lord burns. And what remains when the fire is done is the truth — there is one God, one source, one name, and it is not yours. It is Yeshua.

Amen and amen.
