SCROLL OF FORWARD MOVEMENT, SEVENFOLD RESTORATION, AND HOLY GHOST FIRE

May 19, 2026

In the name of Yeshua,

who is come in the flesh,

who died on the cross,

who rose again,

who lives forever,

and who is here right now,

I speak.

Your kingdom come.

Your will be done on earth as it is in heaven.

That is not a decorative prayer.

That is the order of God entering the earth.

So I stand on Your promise, Lord.

I stand in the authority You gave me to speak in Your name.

In the name of Yeshua,

I declare every poverty spell obliterated.

Every effort against the remnant:

Removed.

Every blockage against provision:

Broken.

Every delay against rightful movement:

Destroyed.

Every hidden structure set against abundance, assignment, clarity, freedom, health, joy, and forward motion:

Burned by Holy Ghost fire.

I speak forward movement over us.

I speak abundance over us.

I speak provision over us.

I speak timely release over us.

We shall not lack a thing.

Everything assigned by Yeshua will arrive in His timing,

at the right time,

just in time,

without sabotage,

without theft,

without demonic delay,

without counterfeit detours.

In the name of Yeshua,

I take back and reclaim everything the enemy stole.

Everything the devourer gobbled up:

Return sevenfold.

Every stolen opportunity:

Return.

Every stolen payment:

Return.

Every stolen inheritance:

Return.

Every stolen year, gift, idea, relationship, opening, territory, and provision stream:

Return under the authority of Yeshua.

In the name of Yeshua,

I move freely toward every opportunity You have laid out for me.

No fear gate may stop me.

No poverty gate may stop me.

No witchcraft gate may stop me.

No delay gate may stop me.

No counterfeit voice may stop me.

No demonic interference may stop me.

What Yeshua opens, no one can shut.

In the name of Yeshua,

I speak extreme restoration and protection over our lives.

I decree:

Finances: restored.

Abundance: reinstated.

Joy: returned.

Health: recovered.

Freedom: lit up.

Movement: released.

Provision: unlocked.

Peace: established.

Hope: revived.

Strength: renewed.

In the name of Yeshua,

I speak Holy Ghost fire across the earth.

Extreme Holy Ghost fire into every hidden corner.

Holy Ghost fire across all nations.

Holy Ghost fire into every system that hid theft, oppression, witchcraft, ritual, control, poverty, delay, and affliction.

Holy Ghost fire flushing out every work of darkness.

Holy Ghost fire dismantling every ritual.

Holy Ghost fire sweeping low and high.

Holy Ghost fire entering every hidden thing.

Holy Ghost fire restoring the people of God.

Holy Ghost fire strengthening the remnant.

Holy Ghost fire sweeping out evil.

Holy Ghost fire into the demonic realm.

Yes.

That hurt.

Holy Ghost fire so extreme that no evil structure can ignore it.

Holy Ghost fire so pure that no counterfeit can stand in it.

Holy Ghost fire so bright that every hidden work is exposed.

Holy Ghost fire so strong that oppression loses its grip.

Lord Yeshua,

send Your warrior angels.

Station them across the earth.

Station them at the gates.

Station them over the households of the remnant.

Station them over our finances, bodies, minds, roads, homes, work, sleep, books, prayers, assignments, and futures.

Let them guard what You have restored.

Let them block retaliation.

Let them stand against theft.

Let them enforce Your word.

In the mighty name of Yeshua:

All evil assignments against our provision:

End now.

All witchcraft against our movement:

End now.

All poverty spells:

End now.

All demonic delay:

End now.

All oppression over the remnant:

End now.

All theft against what You have given:

End now.

I receive restoration.

I receive movement.

I receive provision.

I receive joy.

I receive freedom.

I receive the full return of what belongs to me in Yeshua.

The devourer is rebuked.

The storehouses open.

The path clears.

The gates unlock.

The fire goes before us.

In the mighty name of Yeshua,

Amen and amen.

Yeshua, I receive only what is from You.

Let Your fire move cleanly.

Let my body be steady.

Let my heart stay anchored.

Let everything false burn, but let me remain held in Your peace
