SCROLL OF TOTAL DESTRUCTION AGAINST ALL LOVE SPELLS, SEX SPELLS, AND EVERY SPIRIT OF LUST

June 22, 2026

Father in Heaven, we come before Your throne in the name of your only begotten son Yeshua HaMashiach, who is come in the flesh, who died on the cross and rose on the third day, I bring this scroll of total destruction against every love spell, every sex spell, every binding of affection, every manipulation of desire, and every demonic operation of lust currently floating in the atmosphere, attached to people, embedded in relationships, running through bloodlines, or travelling through the spiritual realm looking for a host. In your name Lord I wipe them all. Every one.

No exceptions. No survivors. Total annihilation.

Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body. 1 Corinthians 6:18.

In the name of Yeshua I come against every love spell in operation. Every candle burned with a name written on it. Every jar spell sealed with honey and hair and buried under a doorstep. Every petition to a spirit of desire. Every binding ritual that ties one person's will to another through demonic manipulation disguised as romance. That is not love. That is witchcraft. And we shatter every one of these spells now in the name of Yeshua.

In the name of Yeshua I come against every. Every incantation designed to arouse, to seduce, to control, to own another person's body through spiritual means. Every spirit of lust dispatched through ritual to attach to a target and drive them toward sexual sin, sexual obsession, sexual addiction, or sexual surrender to someone they would never have chosen in their right mind. We sever every attachment. We cut every cord. We dissolve every spell. The target is freed. The operation is destroyed.

For this is the will of God, even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his vessel in sanctification and honour. 1 Thessalonians 4:3-4.

In the name of Yeshua I come against every Lilith. By name. The ancient spirit of sexual predation. The night creature. The one who comes in the dream space. The one who sits on

chests in the dark and mimics intimacy to steal seed, steal energy, steal covenant, and defile the sleeper before they wake. In the name of Yeshua declare Lilith cast out of every bedroom, every dream, every night hour, and every unconscious moment. You have no right to the bodies of the redeemed. You have no right to the bodies of the unredeemed. You have no right to any body. You are cast into the abyss and you do not return.

The wild beasts of the desert shall also meet with the wild beasts of the island, and the satyr shall cry to his fellow; the screech owl also shall rest there, and find for herself a place of rest. Isaiah 34:14.

Your place of rest is not in the bedrooms of the living. Your place of rest is where Yeshua sends you. Go there now.

In the name of Yeshua I come against all and every marine spirit operating in the realm of lust and sexual control. Every queen of the coast. Every water spirit that trades beauty for bondage. Every marine covenant inherited through bloodlines, through dreams of water, through unexplained sexual encounters in sleep, through spiritual marriages contracted in the deep without the knowledge or consent of the person bound by them. We divorce every spiritual marriage now in the name of Yeshua. Every ring placed on a finger in a dream is removed. Every garment placed on a body in the spirit is stripped off. Every covenant made in the water is annulled. The marine kingdom has no spouse in this realm. The contract is void. The blood of Yeshua dissolves it permanently.

Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God. James 4:4.

In the name of Yeshua I come against the spirit of lust in all its forms. The obvious and the hidden. The pornography addiction. The fantasy life that replaces real intimacy. The wandering eye that never settles. The objectification that reduces a person made in the image of God to a body for consumption. The normalisation of perversion. The celebration of defilement. The cultural machine that pumps sexual content into every screen, every advertisement, every algorithm until the mind is so saturated it cannot imagine purity as anything other than repression.

Purity is not repression. Purity is clarity. A clean lens sees further than a smeared one. And the spirit of lust exists to smear every lens until no one can see the Lord clearly because their vision is full of flesh.

Blessed are the pure in heart: for they shall see God. Matthew 5:8.

The pure in heart see God. That is why the enemy attacks purity with such relentless ferocity. If he can keep the heart impure, he can keep God invisible. Every lust spirit is assigned to block the vision of God by filling the eyes with something else. We cast them all out. Every one. The eyes are cleared. The heart is washed. The vision is restored.

In the mighty name of Yeshua, I come against every soul tie created through sexual sin. Every bond formed outside of covenant. Every attachment that lingers years after the relationship ended because the spiritual connection was never severed. Every person walking around carrying fragments of every partner they ever had because nobody told them that sex is covenant and covenant creates union and union does not dissolve because the relationship did. We sever every ungodly soul tie now. I call every fragment of soul back to its rightful owner. I declare wholeness over every person who has been scattered across a dozen beds and never understood why they feel incomplete.

What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one flesh. 1 Corinthians 6:16.

In the name of Yeshua I come against the spirit of seduction that operates through people who do not know they are carrying it. The charm that is not natural. The pull that is not human. The attraction that is not chemistry but assignment. There are people walking this earth carrying a spirit of seduction they did not ask for, deployed by the enemy to destroy marriages, to fracture families, to redirect destinies, and to pull the anointed off course. Ie strip that spirit off every carrier. I declare them released them from the assignment they did not choose. And I declare that no seduction spirit lands on anyone reading this scroll or in the vicinity of anyone covered by this prayer.

Lust not after her beauty in thine heart; neither let her take thee with her eyelids. Proverbs 6:25.

In the name of Yeshua, I come against every love spell sent through social media. Every digital enchantment. Every obsessive energy directed through a screen at a person who does not know they are being targeted. Every DM with intention behind it. Every follow with a spell attached. Every like that carries a binding. The digital realm is saturated with this and let burn it clean. Every love spell travelling through the internet is intercepted and destroyed in the name of Yeshua.

Now we turn to those who send these spells.

We do not come for their destruction. We come for their repentance. Every person who has cast a love spell, performed a sex ritual, petitioned a spirit for the affection or body of another person, or bound someone's will through witchcraft — we pray for them now. Not in anger. In intercession.

Lord, they are looking for love in the kingdom of darkness because nobody showed them the source. They are casting spells because they are desperate. They are petitioning demons because they do not know they could petition You. The loneliness that drives a person to witchcraft is the same loneliness that You came to heal. The desire to be loved is not the sin. The method is the sin. And we ask You to reach them.

We love him, because he first loved us. 1 John 4:19.

Let them feel Your love. The real one. The one that does not manipulate, does not bind, does not control, does not demand, does not consume, and does not leave. Let them feel the love that cast out fear, that covers a multitude of sins, that is patient and kind, that does not envy, that does not boast, that bears all things and believes all things and hopes all things and endures all things. Let them feel that and let every counterfeit love they have ever chased taste like ash in comparison.

And now abideth faith, hope, charity, these three; but the greatest of these is charity. 1 Corinthians 13:13.

We declare that every person currently practising love magic is one encounter away from repentance. One moment of genuine divine love and the entire system they built collapses because it cannot compete with the original. The spells stop. The rituals end. The candles go out. Not because they were forced but because they tasted something real and could not go back to the counterfeit.

We declare the atmosphere wiped clean. Every love spell floating in the air, travelling through the spiritual realm, embedded in objects, hidden in food, buried in jars, tied to photographs, attached to clothing, woven into jewellery, or encoded in digital messages is dissolved now by the fire of the Holy Ghost. The air is clean. The spiritual atmosphere is clear. The love of God is the only love operating in this space.

We seal this scroll in the mighty name of Yeshua HaMashiach, the Son of the Living God, the Bridegroom, the Lover of our souls, the only source worth loving, the only love that never fails, the only covenant that never breaks. Every spell is destroyed. Every spirit is cast out. Every practitioner is called to repentance. It is done. It is written. It is sealed. Amen.
