THE NOVEMBER SIEGE - PRAYER AGAINST SCARCITY, BLOCKAGE, AND DELAY

November 6, 2026

The Authority

Heavenly Father, in the mighty name of Jesus Christ, Yeshua HaMashiach, Your only begotten Son, who is come in the flesh, and who died on the cross bearing all the sins and iniquities of this world, and who rose again on the third day — I stand under this.

I stand in the authority He gave me over ALL the power of the enemy. Not some power. All the power. I claim full dominion as I promote the kingdom within me, and I come against all the attempts to block His kingdom and the freedom we have in Him.

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Luke chapter 10, verse 19.

The Siege

In the name of Jesus Christ I declare a full strike against the efforts that present themselves with the month of November — following the sorceries and witchcraft of October — to bring about blockage and delay.

Every year the same convergence. Every year the same tightening. The money slows. The bills stack. The systems squeeze. The accusations rise. The heaviness descends. And every year it is dressed up as circumstance — as seasonal, as normal, as just the way things are at this time of year.

It is not circumstance. It is assignment. And the assignment is exposed.

The Delay

In the name of Jesus Christ I declare every demon of delay fully bound and sent to the pit.

Every spirit that operates through lies of mercury retrograde — bound and sent to the pit in Jesus name. Every spirit that uses the calendar as a weapon — the end of the financial year, the tax

return, the winter close-down — bound and sent to the pit in Jesus name. Every spirit that manipulates systems to ensure that payments slow, deliveries stall, and everything that should move gets stuck — bound and destroyed in the name of Jesus Christ.

Every cycle that plays out in November — totally demolished in Jesus name. The pattern does not repeat this year. The cycle does not complete. The thing that happened last year and the year before and every year before that — it ends here, and it does not come back.

The Scarcity

In the name of Jesus Christ, every demon of scarcity and poverty — I bind you and I destroy you.

Every group of strongmen that work during the winter months to create stagnation — I bind you and destroy you in entirety, by fire and by force, in the name of Jesus Christ.

I come against every demonic cycle of lack. Every spirit of fear of rising costs and scarcity — those that operate behind the lies about oil prices, the lies about inflation, the lies about inevitable hardship — I name the whole lot and I bind you and totally destroy all of you in the name of Jesus Christ.

All you do is create an excuse to steal from people. You dress theft up as economics. You present robbery as market forces. You call extortion a cost-of-living adjustment. And so I destroy all your operations in full, in Jesus mighty name.

The Accusation

In the name of Jesus Christ I come against the accuser — the one who finds faults and accuses of things that we knew not.

Plead my cause, O LORD, with them that strive with me: fight against them that fight against me. False witnesses did rise up; they laid to my charge things that I knew not. They rewarded me evil for good to the spoiling of my soul. Let them be as chaff before the wind: and let the angel of the LORD chase them. Let their way be dark and slippery: and let the angel of the LORD persecute them. Psalm 35, verses 1, 11, 12, 5 and 6.

Every demon of accusation — utterly exposed and bound so that it cannot speak or rise again, sent to the pit in Jesus name.

The voice that says you should have saved more — silenced in Jesus name.

The voice that says you should have filed earlier — silenced in Jesus name.

The voice that says you are behind, you are failing, you are not enough — silenced in Jesus name.

Every accusation that uses the systems of the world to deliver its verdict — the bill, the letter, the email, the deadline — stripped of its authority in the name of Jesus Christ.

I expose every lie that we need to be squeezed and that squeezing is inevitable — a duty rising from external, out-of-control circumstances. I name that now. And I utterly bind and destroy every single demon behind these worldly lies, in Jesus name.

The Shroud

In the name of Jesus Christ I come against the shroud — the dullness that is sent to block the fire.

The grey blanket that descends over everything in the winter months. The flattening of joy. The dampening of purpose. The thing that makes the fire feel far away and the fight feel pointless.

I burn the demonic shroud in the name of Jesus Christ.

I come against the demons of oppression and depression and heaviness — I bind those demons now and I send them to the pit in Jesus name. The spirit of heaviness does not get to use the season as its cover. The short days and the dark evenings are not an invitation for oppression to settle. The winter belongs to God the same as the summer does.

I declare all such efforts ended. None of that can rise again.

He will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. Isaiah chapter 25, verse 7.

The Destruction of Evil and Restoration of His Peace

In the name of Jesus Christ the entire enemy operation has ended. It is no more. And it was defeated on the cross.

Every thieving demon — exposed and destroyed in Jesus name.

Every cycle of winter oppression — broken and ended in Jesus name.

Every seasonal stronghold — demolished in Jesus name.

Every narrative of the enemy — wiped from existence in Jesus name.

Holy Spirit, we ask You to fill every space with Your clean peace and restore us to what the Lord intended for us. We declare fire and restoration into every space, and nothing of the enemy can

stand any longer.

The siege is over. The November pattern is broken. The convergence is shattered. Every system that was used as a weapon is disarmed. Every spirit that rode the calendar is destroyed. And the provision, the peace, and the fire of God flow without obstruction — this month and every month.

It is done.

In the mighty name of Jesus Christ our Lord and Saviour,

Amen and Amen.
